Company's Website at (www.ankaindia.com). Attention is drawn to Note 3 to the statement that the Company continues to recognize minimum alternative tax paid in previous years amounting to Rs. 25.20 Lakhs as asset and expects the same to be adjusted against future tax payments. In our view, considering the history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognize the same as assets, and the same is not in consonance with provisions of ""Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961.
